LAWRENCE COLLEGE, APPLETON, WIS.

Friday, November 4, 1927

## Seventy-One Are Named In Honor Class

Six Receive High Honors For Work of 1926-27 School Year

Seventy-one students from the classes of '28, '29 and '30 were among last year's honor students. Sixty-five attained the honor grade of from eighty-eight to ninety-two for the year's work, and six received high honors for grades of ninety-three or more.

The following are last year's underclass honor students: class of 1928, high honors, Albert Dubois, Jr., Jeanette Jones, Lola Payne; honors, Burton Behling, Florence Bennett, Mildred Elwood, James Ford, Gordon Fowkes, Ramona Fox, Mary Gregory, Elsa Grimmer, Amy Howser, Agnes Huberty, Donald Hyde, Clarence Iwen, Ione Kreiss, Catherine MacLaren, Lila Moore, Mary Morton, Beatrice Murton, Gladys Rabehl, Ray Richards, Mildred Scott, Eleanor Smith, Sylvia Solinger, Edgar Spanagel, William Verhage, Marie Voecks, Karl Vollbrecht, Morillae Walker, Vera Wilkeson, Leonard Ziegler.

### Class of '29

Class of '29, high honors, Joseph Gerend, Kenneth Miles; honors, Viola Beckman, Marie Buritz, Bernice Case, Elizabeth Earle, Ernest Engquist, John Loefer, Bruce MacLennan, Esther Metzger, Arthur Mueller, Florence Olbert, Walter Olson, Bryce Ozanne, Anna Marie Perschbacher, Helen Proctor, Ethel Radtke, Kenneth St. Clair, Winifred Sullivan, Victor Wein-kauf, Walter Winslow.

### Class of '30

Class of '30, high honors, Beatrice Siedschlag; honors, Helen Bergman, Leora Calkins, Emma Dieckroeger, Margaret Eberlein, Elsworth Ellingboe, Jennie Goelzer, Harold Hass, Kathryn Hubbard, Helen Jones, Eleanor Lea, Arthur Lean, Marjorie Lockard, Francis Nemacheck, Stanley Norton, Francis Proctor, Pearl Seybold, and Walter Voecks.

## Lawrence Has Won 15 Games From Riponites Since 1893

By Jack Rudolph

When, on a cold October day thirty-five years ago, the first Blue and White football eleven trotted out onto the Ripon athletic field, it marked not only the birth of football at Lawrence, but it also ushered in a pigskin rivalry between the two schools which is today a by-word in state collegiate circles. Although of late years this spirit has lagged, opposition was at one time as bitter as it is friendly today. In thirty-four years, these two rivals have met twenty-seven times, Lawrence winning fifteen games, Ripon capturing nine, with three contests ending in deadlocks.

Ripon's experience won that first game for the Crimson in 1893, 24 to 6, although the Lawrence team put up a good fight. The next year, however, Ripon athletic authorities issued suits to all men in school and ordered them out for football. The result was a team which snowed the Blue and White under, 80 to 0. Ripon won again in 1895 by a 16 to 6 score, but situations arose in the course of the game which caused bad feeling, and following another win by the down-staters in '96, 12 to 4, relations between the two colleges were severed.

The situation remained strained until 1899, when the two old rivals again met, the game resulting in a 6 to 6 tie. Here, however, differences arose once more, and in 1900 there was no game. When playing was resumed in 1901, Lawrence's state championship team was too much for Ripon,

## Noted Interpreter To Appear Here Tonight

Under the auspices of the alumnae association of Mu Phi Epsilon, Marian Chase Schaeffer, noted reader and interpreter, will present a program at Peabody hall this evening.

A charming personality coupled with human understanding and an inherent love for her work have brought Mrs. Schaeffer to such a distinctive position among readers that she is known as a "creative interpreter". Throughout her programs she displays a vision, charm, and sympathy which are characteristic of her alone, and make her artistry individual.

With her diversified programs including many types of reading and interpretation, the reader has had numerous successful engagements, having given as many as four return engagements.

## Social Science Honor Group Chooses Six Members: All Seniors

Wisconsin Alpha Chapter of Pi Gamma Mu Names 1927 Lawrence Initiates

The election of Edith Reeve, Douglas Hyde, Donald Hyde, all of Appleton, Dorothy Martin, Stetsonville, Burton Behling, Oshkosh, and Nobuyuki Otani, Kiyoto, Japan, to the Wisconsin Alpha chapter of Pi Gamma Mu, national social science honorary society, was announced at convocation Wednesday by Mr. William McConagha.

To be eligible for membership in Pi Gamma Mu, a student must carry at least fifteen hours of a major in social science with a high average, at the same time distinguishing himself in social studies.

The first chapter of Pi Gamma Mu was founded in 1924 to "promote a study of special social questions and encourage the study of special social questions by scientific methods." Since then it has grown to twenty-five chapters in colleges and universities throughout the United States. The Alpha chapter, which was founded in 1925, is the only chapter in Wisconsin.

## Thirteen Are Elected To Commission

Seven From Ormsby, Three From Peabody, Three From Town

Thirteen girls were elected to the Freshman Commission at a meeting of all freshman girls, held at Ormsby hall last evening. Elections were made on the basis of representation, seven girls being elected from Ormsby, three from Peabody, and three from town. A president from this group will be elected later.

### List of Elections

Those elected from Ormsby are: Helen Rudin, Chicago; Janet Rees, Green Bay; Mary Treat, Chicago; Lucille Austin, Green Bay; Mary Clason, Oconto; Clara Schumann, Sturgeon Bay; Charlotte Nickols, Duluth. The Peabody representatives are: Ruth Logan, Milwaukee; Betty Wiley, Chippewa Falls; and Esther Schauer, Hartford. Those from town are Jean Cannon, Martha Jentz, and Cecilia Werner.

The purpose of the Commission, which has been operating for six years, is to develop leadership in its members, and to act as an intermediary body between the freshmen and the upperclassmen, and between the freshmen and the faculty.

## Dr. Naylor Speaks In Chapel Wednesday

"This in him was the peculiar grace: before living he learned to live," was the subject of an address given by Dr. W. S. Naylor at convocation Wednesday.

"The reasons advanced by freshmen as to why they have turned their minds toward college," he said, "give a fair cross section of the purposes of the world, contrasting sharply the aims of various individuals in life, with egotism and competition on the one hand and altruism and co-operation on the other." Dr. Naylor went on to explain that the present trend is obviously toward a higher aim in life, as is shown in the slogan adopted by the Rotary International, "He profits most who serves best."

"It is not failure, but low aim that is a crime," Dr. Naylor concluded, "and we can not find ourselves until we find ourselves in God."

## Students Conduct Church Services

The Lawrence college deputation team which is made up of members of the Oxford club and representatives of the college Y.M.C.A. had complete charge of the services at the Methodist church of Green Bay last Sunday evening.

Clarence Hascomb, '30, delivered the sermon to a congregation of about two hundred people. Carl Engler played a violin solo. Guy Saulsbury, '29, Carl Engler, '28, Stanley Norton, '30, Bernard Herrick, '28, Clarence Hascomb, '30, Alfred Loomer, '30, Neal Clausner, '31, and Lloyd Townsend, '28, assisted in the services.

The group has charge next Sunday morning of services at the Methodist churches of Menasha, Black Creek, and Seymour.

Marie Buritz, '29, left Thursday for Milwaukee, where she will hear Bertrand Russell speak.

Orville Hafferman, '27, Merrill, visited at the Phi Kappa Tau house over the week-end.

## Educator To Lecture At Convocation

Dr. Ezra Baker Will Give Chapel and Evening Addresses Nov. 7-9

Dr. Ezra F. Baker, world traveler, educator, preacher and lecturer, will be in Appleton, November 7, 8 and 9. He will speak to Lawrence students at convocation and will deliver lectures in the evenings.

Dr. Baker is a graduate of Cumberland university, and did post graduate work at Columbia university and the Union Theological seminary. He was professor of Philosophy at Trinity university, Waxahachie, Texas. Upon his return from Berlin, where he and his wife studied, Dr. Baker served as president of Waynesburg college, resigning from that position to go on the lecture platform. Since then he has lectured in many of the larger cities throughout the United States and Canada and in many cities in the Near and Far East.

He is a Fellow of the American Association for the Advancement of Science.

Dr. Baker is accompanied by his wife and secretary, Miss Paradise.

## Sixty Have Chance To Make Phi Beta

"Sixty men and women of this undergraduate class will eventually be members of Phi Beta Kappa—an average of fifteen to a class." This was the keynote of an address on Phi Beta Kappa which Doctor W. E. McPheeters, professor of English literature, delivered at convocation on Thursday.

"The American people," said Dr. McPheeters, "are especially fond of medals, badges, pins, rings and anything else which shows that the wearer has been honored in some way or belongs to some organization. Probably the emblem which is most proudly displayed is the gold key of Phi Beta Kappa. Every undergraduate has an equal opportunity to qualify for this honor."

Professor McPheeters then traced the history of Phi Beta Kappa. The organization was founded at the college of William and Mary in Virginia in 1776. It was at first an undergraduate secret society that differed little from other early college societies, except that it adopted Greek letters as its motto, and thus became the first Greek letter society.

The second chapter of the organization was installed at Yale in 1780, the third at Harvard in 1781, and the fourth chapter at Dartmouth in 1787. Since then the fraternity has increased steadily until now its membership embraces 107 college and university chapters with a total living membership of 50,000. Gamma chapter of Wisconsin was granted a charter in 1914, as the seventy-ninth chapter of the organization.

## Poetry and Music Program At "Y.W."

A program of poetry and music was the feature of the Y.W.C.A. meeting, which was held last evening, at Hamar House. Poetry selections were read by Madelyn Johnson, '31, and a group of vocal solos was presented by Pearl Felton and Katherine Schmeltz, both conservatory students.

### Ill at Infirmary

Among those ill at the infirmary this week are Clarence McCandless, '29, Helen Rees, and Mabel Sheldon, both '31, Mabel Richter and Helen Kavel, both '31, left the infirmary Wednesday.

## Miss Frances Moore To Give Concert Thursday

Miss Frances Moore, instructor of cello at the conservatory, will make her first public appearance in Appleton when she gives a recital at Peabody hall Thursday evening.

Miss Moore joined the conservatory faculty this year after having taught in the departments of cello and theory at Florida State college, Kentucky College for Women, and Augustana college. Previous to this, she had several successful seasons on the concert stage.

Her studying was done at Cincinnati conservatory, of which she is a graduate, and under such teachers as Julius Sturm, Karl Kirksmith, solo cellist with the Cincinnati Symphony orchestra, and Arthur Weisz, instructor at the University of California.

## H. Johnston Named Business Manager of 'The Romantic Age'

Jean Jackson Is Assistant Director of 1927 Sunset Production

Henry Johnston, '28, Appleton, has been appointed business manager of "The Romantic Age," A. A. Milne's three act comedy which will be presented by Sunset players November 22 in the Lawrence Memorial chapel Jean Jackson, '28, will assist Miss Lucile Welty, Lawrence coach of dramatics, in directing the production.

Other technical staff positions for the opening 1927 Sunset play have been filled by the following persons: Morillae Walker, '29, stage committee; Edward Detloff, '29, house manager; George Jacobsen, '28, and Bernice Klemm, '29, settings; Ferne Warsinske, '28, wardrobe; and Gladys Rydeen, '28, properties.

Both the business manager and assistant director have had considerable dramatic experience. Johnston was stage manager of "The Goose Hangs High," Sunset performance of last season, while Miss Jackson has written and directed smaller dramatic productions.

The cast for "The Dramatic Age" is now on its second week of rehearsal, and the members are rapidly fitting themselves into the parts.

## McKee Presents Vocal Selections At Chapel

Carl S. McKee, professor of voice at the conservatory, sang three numbers at student convocation Tuesday morning. The selections were "Vulcan Song" by Gounod, "Sylvia" and "The Road to Mandalay" by Speaks, and "Within the Garden of My Heart" by Scott. Mr. McKee was accompanied by Cyrus Daniel.

## Surprise Reigns Supreme When Lights Begin To Blink

By Margaret Joslyn

Truth is stranger than fiction and though the hoary joke about the lights going out in the parlor wouldn't dare dicker out on any self respecting vaudeville stage without taking monkey glands, it made a personal appearance at the dormitories, the conservatory, professors' houses, and the library, Tuesday night.

When the lights went out at Sage, potential Phi Betes did an Abraham Lincoln act by candlelight, potential dead-beats got a novel and watertight excuse for not doing their lessons, and the visitors in the parlor—well, they visited in the parlor.

When the lights went out in the conservatory, sweet strains of music didn't follow suit. Pluckily the stu-

## Blues Look Forward To Tough Game

Lawrence Meets Ripon, Traditional Rival, Tomorrow Afternoon

By Royal LaRose

Ripon, Lawrence's traditional rival, will furnish the opposition for the last home game of the 1927 football schedule at Whiting Field tomorrow.

Just as the Army and Navy are traditional rivals in all forms of athletics, and just as their annual football game has become a classic, so it is with the Vikings and the Redmen. The football game Saturday will be no exception. Both teams will be keyed to the highest pitch and a battle royal is in promise.

The Vikings, with a new spirit because of their decisive victory over Beloit last Saturday, have spent a week of conscientious drilling, and expect to give Ripon a real battle.

### Strong Team

Ripon has an exceptionally strong team this year, and Lawrence enters the game Saturday the underdog as the result of the Ripon-Carroll game last Saturday. Ripon held the highly touted Pioneers to a 12 to 6 score, and according to information outplayed and outfought the Carroll team. Just a lucky break of the game gave Carroll the narrow victory.

Ripon is given the edge also because of a more decisive victory over Northwestern, and because of a scoreless tie with Lake Forest, whereas Lawrence lost to the Illinois team.

### Injured Saturday

Brussatt, Lawrence's new sensational half back, was injured in the Beloit game, but a good rest this week has put him on his feet. Besides Brussatt, Humphrey, Barfell and McInnis, all backfield men, were suffering from bruises and bumps from last Saturday's game, and Ott and Krohn, stellar tackles, were also injured. However, all the men were recovered sufficiently to take part in practice the latter part of the week.

The Ripon lineup will include Breitrick and Burns at ends, Hamley, Pine and Bebb at tackles, Nelson and Anderson, guards, Hein, center; Martin will be at the quarterback position with Freeman, Heinz and Murchie at the halfback positions and Rehl at full.

### Probable Lineup

Coach Catlin will probably start St. Mitchell and Jessup at ends, Captain Ott and Jessup at tackles, Voecks and Schauer at guard, and Kittleson at center, MacLennan at quarterback, Brussatt and Barfell at halfback positions, and Humphrey at full. Bent, Posson, and Ehlerl will undoubtedly be used in the line during the game, and Sehlaggenhauf, Pierce, Hunter, and Gelbke in the backfield.

When the lights went out in the professor's houses, blessed darkness came between their eyes and quizz papers, next day assignments, and six weeks grades, watts flickered out in front of the Watts', and darkness fell on east side fraternity houses like Heaven's rain which falls alike on the just and unjust.

When the lights went out in the library, when the mazdas did a dying swan act and lightless light was shed on the earnest boys and girls bent so studiously over their books and papers—what happened? We ask you.

## A POSSIBILITY

The "rushing" party of Phi Beta Kappa, which was conducted at chapel yesterday morning by a member of the Lawrence college faculty, comes at a most opportune time for freshmen, sophomores, juniors, and even seniors whose grades are hanging on the ragged edge—marking time between the class of honor and the division of mediocrity. The possibilities of election to the national scholastic honorary were stressed in the convocation address, and the comparative nearness of the award was strikingly apparent to the student body.

With the six weeks' grades set aside, and examinations past for the present, the undergraduate group has a chance to recuperate, to catch its wind—and to reflect. Low grades may be pulled nearer the top before the end of the semester; high grades are none too secure in their top-heavy position.

Sixty students from the classes of '28, '29, '30 and '31 will be elected to Phi Beta Kappa for excellence in scholarship, high moral characters, and ability, before the four classes have left Lawrence. To be one in sixty is not supremely exclusive—all, or nearly all have a chance. The possibility is apparent.

## LAWRENCE FOOTLIGHTS

Lawrence's greatest year in dramatics is soon to be launched, and a plea for student support of histrionic productions has been issued. Sunset players will stage "The Romantic Age", two weeks from next Monday; the New York theatre guild is to present "The Silver Cord" on December 14; and Wisconsin Haresfoot will make an early appearance in Appleton.

All of these dramatic ventures need and deserve student support. Some are presented by non-campus groups, while others are thoroughly Lawrentian productions. All merit, and will probably receive, whole-hearted support from both students and faculty. Last year's backing of "The Goose Hangs High" and "You Never Can Tell" presaged a fine future for Lawrence dramatics. This prophecy must not be allowed to slide.

## LATEST ELECTIONS

A congratulatory hand to the new members of Pi Gamma Mu. Five students have achieved marked distinction in a specialized field of endeavor—that of the social sciences. Five new keys, soon to appear on the campus, will stand witness to the ability of the five new members. Although it is a new organization on the campus, "Pi Gam" stands as a distinctive achievement in the undergraduate study of social science.

## FORGETFUL

Freshmen are supposed to wait for upperclassmen to pass through doors of campus buildings. Some of the yearlings on occasion seem exceedingly anxious to gain the shelter of one of Lawrence's several structures.

## Cross Country Run Staged Tomorrow

With a record of three victories in three starts, the crack Lawrence cross country team after a two weeks' lay-off will go into action again tomorrow when it meets the harriers from North Central college of Naperville at Whitening field. The meet will be run off during the football game, and it is hoped that the start and finish will be timed so the fans can see the race without interfering with the game.

This will probably be the last home meet of the 1927 season, as the Beloit run has been cancelled. However, negotiations are being made to bring the Ripon team to Appleton in the near future.

Coach Denny will select the five men to run from the regular squad of eight, which includes Captain Mueller, Wolf, Menning, Jesse, Scheurman, Sinclair, Pinkerton, and Haring, and

# How will your office look?

Not like this, of course

Yet you will find in it a dozen jobs that can be done more quickly and effectively by electricity—and done so quietly as to be practically unnoticed. In fact, electricity has completely revolutionized many office methods.

**YOUR FATHER** probably will recall the days of high stools, eyeshades, and evenings overtime.

But visit a modern office! A thousand letters to go out by four o'clock. A new price list to all customers in to-night's mail, without fail. Enter electricity. Two or three people turn switches, and the finished letters come out of an ingenious machine. Another motion and they are sealed and stamped. Only electricity could get that job done.

Here's a statistical job. The reports are in; thousands of figures to analyze. Looks like overtime for fifty clerks. "Certainly not," answers electricity, as a button starts the

motor-driven sorters and tabulators. Key cards are punched with lightning fingers. Electric sorters devour 24,000 cards an hour. Tabulators add quantities and amounts in jig time, and print the totals.

Go to almost any bank today. Hand in your account book. Click, click, goes the electric book-keeping machine and back comes the book to you. Five operations performed in that brief moment. Everybody saves time,—you, the clerk, the bank,—when electricity is the book-keeper.

In the office of to-morrow you will find "electrical fingers" doing more work than even to-day.

This familiar mark appears on many electrical products, including motors that drive time- and labor-saving office machines.

**GENERAL ELECTRIC**

## Rules For Official Athletic Awards Are Announced By Denny

Official Varsity "L's" To Be Given For Three Major Sports: Track, Football, Basketball

Rules for winning the official "L", major athletic award of Lawrence, and regulations regarding the awarding of letters for minor and intramural sports have just been announced by Athletic Director Denny, and will govern all awards for the coming year.

Official varsity "L's" will be given for three major sports, football, basketball, and track, while minor "L's" will be given in minor sports and medals for places in intramural events. In all cases these awards will be approved by the athletic board.

One quarter's participation or its equivalent in each of three Midwest or Little Five conference games, or the same total in games with schools of equal standing is necessary for winning a letter in football. To win this letter a man must also be on the squad and eligible at the end of the season. In case of injury, recommendation by the coach will give the award.

To win a letter in basketball a man must take part in a majority of the conference games, or in games with schools of equal standing, and must be on the squad and eligible at the end of the season. A recommendation by the coach in case of sickness or injury will also be allowed.

To win a letter in track it is necessary to place third or better, in annual state meet, fourth or better in the Midwest meet, or a first or two second places in the same dual inter-collegiate meet. Eligibility rules are the same as in football and basketball. Membership on a winning relay team in the state meet, or on a team placing second or better in the Midwest meet, also entitles an athlete to his "L".

To win a minor letter in tennis a player must win either two firsts in major dual meets, third or better in a conference meet, or second or better in the state meet, while in wrestling first place in a major dual meet or second or better in class in a conference meet. Fifth or better in a major dual run, fifteenth or better in a conference contest, or membership on conference championship team is to be awarded letters in cross country, and first places in two separate dual meets, third or better in a conference swim, or membership in a championship team fulfill requirements for the award in swimming.

All contestants on the three major sport teams who have failed to fulfill requirements for the varsity letter may be awarded the official "aLa" and sweater on recommendation of the coach, provided the player is eligible and on the squad at the end of the season.

Captains of each varsity team will be elected for the next season by members of the respective squads as soon after the close of the season as possible. The captains must previously have won the varsity "L" in the sport which they are to lead. Each election is to be ratified by the athletic board, and only letter men shall be permitted to vote in the elections.

Medals will be awarded for first places in each of the following intramural sports: swimming, diving, horse-shoe pitching doubles and singles, tennis doubles and singles, handball, and first in each of the following classes in boxing and wrestling, 115, 125, 135, 145, 158, 175 lb., and unlimited classes. First, second, or third places in the intra-mural cross country run also merit medals.

Each varsity sport team shall be represented by one senior, one junior, and two sophomore managers, while each minor sport shall have one senior and one junior manager. A senior and four upperclassmen will be appointed managers of intramural sports by the athletic board, and each freshman team will be thus supplied with two freshman managers. All managers are elected by the board after due consideration of each candidate's scholastic ability and natural proficiency in the work.

### SCHEDULE FOR SATURDAY

#### Midwest Conference

Knox at Coe  
Monmouth at Cornell

## More Football Upsets Predicted For Games Over Next Week End

Lawrence and Ripon Meet; Coe Plays Knox; Monmouth Clashes With Cornell

Coaches and predictors throughout the country are oiling up their shot guns this week, and if this week-end adds any more upsets to the already large total for the season, the mortality rate for the month may get off to a good start. There are only a few big games on the schedule for Saturday, but that means nothing these days.

Three games are on the books for the Midwest conference, and one of these tilts will also be counted in the "Little Five" standings. Lawrence and Ripon, members of both leagues, meet at Appleton, while Coe and Knox clash in a Midwest game, as do Monmouth and Cornell.

Wisconsin has an off day in the Western conference Saturday, and the Badgers will put in their time entertaining Grinnell. Only two games are scheduled in the conference, Northwestern playing Purdue, and Illinois invading Iowa. The biggest game in the middle west will be played at South Bend between Minnesota and

## Sophomore Hockey Team Wins 4 to 2

The sophomore girls won from the freshmen, 4-2, in the first hockey game of the season, played at Whiting field Wednesday.

At the half the score was 3-0 for the winners. The frosh came back strong in the second half, scoring a point soon after the whistle blow. After several minutes of hard playing by both teams, the losers sent the ball between the goal posts for their second point. The sophomores scored their last point a half minute before the final whistle.

Helen Bergman scored two points, and Ida Turner and Katherine Hubbard each scored one for the sophs; Betty Wiley and Jane Kolloch scored for the frosh.

Notre Dame. This battle will go a long way in determining the national championship.

Harvard-Pennsylvania, Dartmouth-Brown, and an intersectional clash between Princeton and Ohio State headline the card in the east, while Maryland invades Yale. Kansas and Nebraska fight out their annual grudge at Lincoln, and Stanford travels into the north to meet the Huskies of Washington on the Pacific coast.

### Hallowe'en Party At Ormsby

Ghosts and goblins danced about a huge witches' cauldron at a Hallowe'en party given in Ormsby hall dining room Monday evening. Tables were decorated with autumn leaves, candles, owls, and black cats, and a special dinner was served in honor of the occasion.

Peabody house girls entertained Miss Marguerite Woodworth as an honor guest at the dinner. Following the dinner a party was held in Peabody house. Games, dancing, and a ghost story read by Miss Lucille Welty, resident teacher, provided entertainment.

### Sage Seniors To Entertain

The seniors of Russell Sage hall will entertain at a party at the dormitory, Monday evening, from eight to eleven. All Lawrence seniors are invited.

### W.S.G.A. Council Entertained

Miss Marguerite Woodworth entertained the members of the student council of W.S.G.A. at tea in Russell Sage hall Wednesday afternoon.

### Alpha Gamma Phi Gives Parties

Alpha Gamma Phi entertained at a luncheon at the Candle Glow tea room Monday noon, and at a dinner in the French room of the Conway hotel Monday evening in honor of Miss Babcock, Detroit, Michigan, national inspector of Alpha Chi Omega.

### Pledgings Announced

Dorothy Wilcox, '31, Rhinelander, was pledged to Phi Mu on Thursday.

Phi Kappa Tau announces the pledging of Alan Scott, '31, Waupaca.

The pledging of George Beckley, '31, Appleton, is announced by Theta Phi.

### Delta Iota Entertains

Actives, pledges, and alumni of Delta Iota met at a luncheon and smoker at the fraternity house early Sunday morning.

### Sigma Alpha Iota Gives Dinner

Sigma Alpha Iota entertained a party in the French room of the Conway hotel Wednesday evening. Fifty girls were present.

### Will Give Luncheon

Mu Phi Epsilon sorority will hold a luncheon Saturday in honor of Marian Chase Shaeffer, dramatic reader and interpreter, who is a member of Mu Phi Epsilon. The luncheon will be given at the Candleglow Tea room.

### Trever Will Teach In California This Summer

Professor A. A. Trever of the history department will be a member of the history faculty of the University of Southern California, for the summer session beginning July 2, 1928.

Professor Trever will offer one general course, the Roman empire, and two advanced courses, Greek civilization and medieval civilization.

Lost—A pair of shell rimmed glasses and a fountain pen in a soft tan leather case. If found please return to room 50, Ormsby Hall.

## Lawrence Wins 15 Games From Ripon

(Continued from Page 1)

won again, 6 to 0, and repeated in 1913, 14 to 0. Abrahamson was the whole show for the Catlinites in 1914, his 70-yard run and two goals, one from the forty yard line, scoring all the points in a 12-2 victory.

Retza ran 85 yards for the Blue in 1915, but Ripon held on the 5 yard line, and fought its way to a 7 to 0 win, the first since 1910. In 1916 the Crimson repeated by a score of 6 and 0. The World War wiped out football in 1917, but in '18 the two old rivals were at it again, Lawrence's state championship S.A.T.C. eleven winning handily, 24 to 0.

Lawrence made 22 first downs to Ripon's 7, and gained 411 yards to Ripon's 200 in 1919, but Ripon spoiled Lawrence's first Homecoming by winning, 20-7. The Blue and White, champions of Wisconsin and Illinois in 1920, captured the annual battle, 22 to 3. Although the Vikings had another title eleven in 1921, Ripon nearly won, and it was not until the last four minutes of play, with the game all but lost, that the big Blue juggernaut battered its way down the field in an 80-yard march that resulted in victory, 7 to 3. Basing, present Green Bay Packer star, was the light of this victory.

Eddie Kotal, present teammate of Basing, playing his first college game as a freshman, ran the opening kickoff back 95 yards for a touchdown in 1922, and the Midwest champions of that year were victorious, 20 and 0. They repeated in 1923, 17 to 0, and entering the game the heavy favorites in 1924, were held to a 7-7 tie by an inspired Ripon team. In 1925 Lawrence eked out a 3 to 0 win, and last season the two teams battled to a 0-0 tie.

## The BILLBOARD

Nov. 5, Saturday — Ripon-Lawrence Football Game Here.

North Central College - Lawrence Cross County Meet Here.

## CLUBS

### Fireside Fellowship Club

The Fireside Fellowship club of the Methodist church is planning a costume social for Saturday evening at 7:30 in the church parlors.

### Tourmaline Club

Russell Brignon, '28, spoke on the commercial value of the clay deposits of Center Swamp at the regular meeting of the Tourmaline club Wednesday evening in the geology room of Science hall.

### Congregational Club

A musical program will be presented at the Congregational club, which will meet next Sunday evening at 5:30 in the church parlors. Stanley Norton, '30, and Ray Menning, '29, will lead a discussion on campus problems.

## Attend Formal Opening Of Medical Buildings

Professor and Mrs. R. M. Mullenix returned on Tuesday from Chicago, where they attended the formal opening of the new buildings of the Medical School of the University of Chicago, constituting the nucleus of what is designed to be one of the foremost medical centers of the country.

Delegates representing forty colleges and universities from all parts of the United States were present.

## Schola Cantorum Will Be Organized Soon

The first meeting of Schola Cantorum will be held Monday afternoon. Practice on the music for the Christmas concert and the May music festival will be begun very soon, according to Dean Carl J. Waterman, director of the chorus.

Dean Waterman plans to have a chorus of about one hundred and seventy-five or two hundred voices, and has requested that all who are interested in joining the organization see him as soon as possible.

## First Round Of Horseshoes Ended

The D.I.'s, Phi Kaps, Sig Eps, and Betas emerged victorious in the first round of the interfraternity horseshoe pitching tournament Monday and Tuesday afternoons.

The Phi Kaps, with Bloomer and Hill handling the irons, had a comparatively easy time with the Delta Sigs, out-throwing Welch and Babcock to the tune of 38-50 and 25-50, Monday afternoon. In the other match played at this time the D.I.'s took a hard fought contest from the Phi Taus. With the score standing 48-49 in favor of D.I., Montague looped a ringer to win the first game, while Keihl located the stake frequently in the second game to cap, 37-50. Ward-

man and Schwartz won the points for the Phi Taus.

Sigma Phi Epsilon's representatives had little trouble downing the Psi Chis Tuesday afternoon, 40-50 and 20-50. Schlagenhauf and Morton toiled for the Sig Eps, and Bent and Schwandner tossed for the Psi Chis.

Another close match was fought between McDonald and Christenson, Beta Sigma Phi, and Pierce and Rempel, Theta Phi. The former team won 48-50 and 45-50.

## The Professional Touch

Ripon Father—"I hear your son is a journalist.  
Does he write for money?"  
Lawrence Father—"Yes, every week."

## With Homecoming Over

you may be able to give a little serious thought to your clothes. The Fair Store's smart jersey frocks at \$5.75 and upwards may help you solve your problem of apparel. Some good-looking coats have recently arrived at \$19.50 to \$39.50.

## With Legs So Evident

the stocking situation is important. Here again, the Fair Store can be of service. Extra long dollar stockings are in stock, with the silk well above the knee. And then the gayest of sports hose are to be had there, too, at 98c to \$1.50 a pair.

## In Expression of Our Appreciation

we're adding this post-script—our thanks go to the two students who assisted us with our Homecoming Window. One furnished the authentic schedule, and another the equally authentic letter that graced the display. Thanks, too, are due Fischer's Jewelry Store, Brettschneider Furniture Co., and Sykes Studio for their cooperation.

Sale of Blanket Robes for Men and Women  
ends Saturday!
